PRESIDENT'S REPORT - AL HOHNER

BRRR — It's cold out there. Soooo..... This is an ordinary Canadian winter.

I hope everyone had a very Merry Christmas and ate a lot. I hope everyone had an enjoyable, good New Years ever and we are under way — in the New Year.

There are lots of events starting back up in the Legion for everyone to enjoy. Lots of cards, shuffleboard and pool or just relaxing , social time.

By the end of this term of the Dugout, nominations for a new Executive will open up. Are you interested in making a difference in this Legion? Do you think you have what it takes to make a better place for Veterans and their families and the Members and Youth in the area? Will you qualify with attending 5 General Meetings? There is a lot to do at the Legion and possibly more committees could be set up, but more Members are needed to do this.

Yours in Comradeship

A WORD FROM OUR PADRE: CANON CHRISTOPHER PRATT

To you, from failing hand we throw the torch:

The familiar words of the poem, "In Flanders Fields", will echo across Canada, as individuals, communities and our country pauses, just for a moment, a moment or two of silence, a moment or two dedicated to the Act of Remembrance.

A poem written on a battlefield by a Canadian more that a century ago shapes our experience of this day by calling the citizens of this great country to value and appreciate the story of the nation. A story that needs to be told over and over again as the years pass and the story tellers and the listeners change.

The battlefields of Vimy and Passchendale, where a battles raged a century ago are marked now by the grave sites known only too well by Lt. Col. McRae as they shaped his writing and his message. He expressed the hope that the sacrifices that he was witnessing in the midst of a war which many said would end all wars would not be sacrifice which would be offered in vain. He had a sense of hope and trust that next generation of Canadians not only catch the torch, but ensure it would not fall into the wet mud of the battlefield to be extinguished. McRae trusted that the values of liberty, justice and freedom which the torch represented and the story of Canada which the bright light of its flame symbolized, would be at the heart of the continuing story of this county and be held dear by the generations who would follow.

To you, from failing hands we throw the torch:

Underneath the freshly poured concrete of urban development and renewal upon us which we stand today lies ground held sacred by the First Nations of this land. This is the traditional territory of the Neutral, the Anishinaabe and Haudensaunee people. Their story is the story of this country. It is our story to know and honour.

As Canadian citizens we stand at the Cenotaph and mark not only the sacrifices of a century ago, but also our fellow citizens whose sacrifice in the wars which followed, the peace-keeping missions and even death on Canadian soil are part of the heritage, history and story which we need to know and honour.

To you from failing hands we throw the torch:

The century and a half of nationhood which we marked last year is filled with stories of individual who were committed to their families and their community. We have no right or special privilege to stand here today, but, as Canadian citizens, we have a responsibility to do so.

To you from failing hands we throw the torch:

The heroes of the past throw the torch of liberty, justice and freedom to us. Many of us are not born in the county. We have claimed Canada as our home. There are those whose journeys to reach this land, are stories fill with danger, bloodshed, suffering and sacrifice. These are not stories to be found solely in the pages of history books, but by opening the pages of newspapers printed in 2017. The poppy that is worn is not a litmus test of citizenship. It is a statement which indicated that the wearer of the poppy know the stories of commitment, duty and sacrifice, which are part of the story of Canada. Each person who pins a poppy on does so as an indication that as they do so, they claim to remember those whose storeys are part of the story of this land and to make those stories part of the story of this land and to make those stories a part of their own identity as Canadians. The heroes of today may not be found exclusively on the battlefield, but may also be found standing at the ballot box, exercising the freedoms won by the sacrifices of others.

To you from failing hands we throw the torch:

Lt. Col. McRae did not only trust us to catch the torch, but also to hold it high, to be a light of freedom, justice and hope in a darkened world. May we in this generation be worthy of the trust expected of us, to know our story as a nation, to celebrate our identity as citizens of Canada and to remember the sacrifices made for us that gives us the freedom to gather in this place today.

PAST-PRESIDENT - CHRIS PICKERING

Greetings Comrades,

As we are all aware there are times when things within the Branch appear to be not going right and need to be corrected or we may have a personal complaint that needs to be addressed. There are correct ways to have these issues taken care of, spreading gossip and rumors around the Branch or getting lists of people who you think agree with you is not the way. Unsigned lists are just a waste of time and paper and will not be accepted by the Executive when complaints are made. Paid staff and those on contracts have rights enforceable by both Law and Legion Regulations and we, as employers, are responsible for enforcing them. Any harassment either verbal or electronic means will be forwarded to our Lawyers to be dealt with as they see fit within the full extent of the law.

On a lighter note, as I have mentioned before, elections are on the horizon. If you have the required number of meetings to qualify and you care about the Branch, please consider running for a position on the Executive. New blood and new ideas are needed to revitalize the Branch.

SPORTS REPORT - RAYMONDE HACHEY

Hope everybody had good holidays.

We want to start playing Rummoli on Friday nights, starting in February. Irene Blanchard will be running it.

Congratulations to our Members who are going on to District Sports. We have winners going to Hespeler, Polish Legion, Walkerton and Owen Sound.

YOUTH EDUCATION - MARGARET LONGMAN

I would like to thank the Teachers and Students who participated in the Poster & Literary contest in November. Congratulations to all those who advanced on to the next level. A job well done!

I am now working on the Public Speaking Contest to be held at the Branch on Sunday February 4th, starting at 10:00am. Please come out and support the efforts made by the students. Good luck to all those participating. We look forward to meeting you and hearing you.

Please remember that nominations are coming up in April for the Executives of the Branch. Think about getting involved, either on the Executive or as a Volunteer.

TREASURER REPORT - PETER WHITEHALL

I hope everyone had a great holiday season and that Santa was good to all of your families.

As you know, the Branch suffered a huge plumbing problem in the spring and the resulting loss of revenue from renovations and from the Branch closing for two weeks caused us to go into the red for the first half of the year. The past two months (November and December) have each shown a small profit, so it appears that we have turned the corner for the year.

Because they very seldom get their dues, I would like to thank all the people who give their time and energy to Volunteer for some of the many Volunteer positions. Without them, we would not be able to exists. If you are interested in helping the Branch, please ask anyone on the Executive Committee or our Office Manager for information. Your help will be greatly appreciated!!

MEMBERSHIP - PAM BARRAGER

Hey everyone. Hope ya'll had a good Christmas and New Years. As you know, Command's new program still have some glitches and they are working on it. Membership is part of the glitch. Please be patient as I am doing my best to get things right. Cards are only printed once a month and I know that is a pain. If you miss the day they were printed, you will be waiting. If you have any concerns, please let me know by leaving a note with the Bartender or you can call me 519-954-1381. Not much else has changed. WE are netting new Members and transfers but we are way behind on payment of dues. Please come out to our monthly meetings to understand more of what goes on in your Branch, on the fourth Sunday of each month, starting at 2:00pm. If you have not paid your dues, please do so. It might not say it on your new plastic card, but dues are January 1st to December 31st, being December 31st as your due date. When you pay your dues, it helps out the Branch immensely, without you the Branch would not exist. Spring is just around the corner. Do not forget to say hello to anyone new and make

SICK & VISITING - AUDREY WEIDO

We went to see the 12 Veterans at Sunnyside Nursing Home, all of them are in wheelchairs. The smiles that greeted us said it all. It was a good visit and we left with a promise to come back in the spring. A very LARGE thank you to Chris and Larry , I could not do it without you two. You guys are the best!

Decorating:

The Christmas tree is gone along with the new star for the top of the tree. I wish people would just look and not touch. Thanks to Pat , Collette and Larry for all your hard work, it made the Club look really great. We were a very good working group. A special thanks to Charlotte for all your work with the wreaths. We would not have them without her help. Thanks Good Buddy.

HELP FOR MEMORBILLIA: PAUL SCAGNETTI

We are looking to refurbish the medals currently on display in the cabinets in our lobby that were donated on behalf of A35319 Lance-Bombardier George Hill Berryman Johnman. Other than the few items in possession, we do not have any information that can be cobbled together to write up a short biography as part of the new display. Can anyone help?

Born: 1918

Enlisted: Guelph 1940

Wife: Laverne

Service: Army, Royal Canadian Artillery

We are also looking to “upgrade” the medals and photos of W22179 Corporal Cameron of the Canadian Woman’s Army Corps. Anyone who has information about this woman that can be turned into a biography is asked to share it with the Branch.

An email to Corey at the Branch would be most appreciated.

DUGOUT EDITOR - ALF ASH

We hope everyone had a good Holiday and you are ready to join the various groups that are taking place at your Branch in 2018. We have Monday: Pool, Bid Euchre and darts. Tuesday: Shuffleboard, darts and karaoke. Wednesday: Fun Cribbage, Pool, Shuffleboard, Bud Euchre. Thursday: Pool, Euchre. Friday: Solo, Ladies darts. Saturday: Meat draw. Sunday: music and various card games. We have a full line up of events taking place every day and night, so please take part in some of these events if you can.

The Elections are coming up in April, so it is now time to think about these and decide if you wish to stand for a position. Please make sure that you have the time to devote to this position, as many people have been elected and never been able to serve out their full terms for one reason or another.

Volunteering at the Branch is also important, not just for the Poppy Campaign which is very important, but there are MANY other jobs that need to be done by our Volunteers. As an example, we are in need for an Editor for the Newsletter, as I have served in this position for many years and I think it is time for a change. Remember that Corey does all the set-up and retypes all of the reports that the Executive submit, so it really just involves a minimum amount of your time for each Edition.

We have Volunteered for many positions at this Branch and I also did some Zone work. Norma and I are getting on in age and we feel it is time to call time-out and start enjoying whatever time we have left. We feel we have served this Branch very well and despite the ups and downs, we feel that we have left it in a profitable position in 2017. Some Members might disagree but the facts will tell a different story.

All the best in 2018

Poppy House News Regarding Wheelchairs, Walkers, Mobility Appliances etc.

Due to liability issues, sadly, the Poppy House is no longer taking on the responsibility of either accepting, or loaning out, mobility appliances, such as walkers, canes, wheelchairs, scooters, etc.

Any Veteran, or surviving spouse of a Veteran, in need of such items is asked to contact the Service officer at their nearest Legion Branch to apply for DVA assistance. You need not be a Legion Member to talk to a Branch Service Officer. If the DVA turns you down, please fill out a Poppy Fund Assistance application, available from our website under REPORTS, or from the Poppy House at 21 Regina St N.
